

AMOS

Advanced Maui Optical and Space
Surveillance Technologies Conference

SEP 16-19
2025
MAUI, HAWAII

CALLING ALL STUDENTS

In collaboration with the American Astronautical Society (AAS), the AMOS Conference is looking to showcase student work at the premier technical conference in the nation devoted to space situational awareness/space domain awareness. Submissions are encouraged from undergraduate and graduate students pursuing a STEM degree at an accredited college or university. Student participants qualify for a reduced conference fee.

8th Annual AMOS Conference Student Award

Awarded to the best manuscript submitted and presented by a student, the AMOS Conference Student Award provides funding assistance in the form of a \$3,000 stipend. Students wishing to apply for this award must submit their completed manuscript and a co-author statement by August 15, 2025. There is a maximum limit of three authors for Student Award submissions. Late submissions will not be considered for the award. Visit amostech.com/awards to learn more.
