

# WHO ATTENDS THE AMOS CONFERENCE?

See what companies, universities, and government organizations have attended AMOS over the years since its inception in 1999 – updated Dec 31, 2025

1 TES	ABL/ALX	Air Force Space Battlelab
14th Air Force	Aboa Space Research Oy (ASRO)	Air Force Space Command
15th Space Surveillance Squadron	ABOSPL	Air Force Space Systems
17th Test Squadron	Accenture	Air Force Technical Applications Center
18th Space Control Squadron	Acquistion, Technology and Logistics	Air Force TENCAP
18th Space Defense Squadron	Agency, Ministry of Defense	Airbus
18th Space Surveillance Squadron	ActioNet, Inc.	Airbus Defence and Space
19th Space Defense Squadron	Acumen Scientific	Airspace Protection Services LLC
1st Command and Control Squadron	Adam Mickiewicz University	Akima
1st Space Control Squadron	Adaptive Technologies Corporaion	Akimeka
1st Space Operations Squadron	ADM(IIM)	Alaka`ina Family of Companies
20th Space Control Squadron	Advanced Institute of Science and	Alamos National Laboratory
20th Space Surveillance Squadron	Technology	Alaska Aerospace Corporation
21 Operations Support Squadron	Advanced Mission Systems, Raytheon	Albuquerque High Performance
21 Space Wing	Intelligence and Space	Computing Center
216th EWS	Advanced Scientific Concepts	Aldoria
21st Century Systems Inc. (21 CSI)	Advanced Space	ALES
21st Operations Group	Advanced Space & Intelligence Systems	Aleut O&M Services, LLC
222 Command & Control Squadron	Advanced Space Ops School	Alion Science & Technology
3 SES	Advanced Technology Center	Allied Signal Technical Services
3 TES	Aeronomics	Corporation
30th Space Communications Squadron	Aerospace Corporation	Allies and Partners Group LLC
319th Combat Training Squadron	Aerospace Fusion Center	Aloha Autonomy
392 CTS, Space Delta 1	Aerospace Industries Association	ALPAO SAS
3C Systems Company	Aerospace Policy Solutions, LLC	Altamira Technologies Corporation
3rd Space Experimentation Squadron	Aerospace Systems, Germany	Amazon
3rd Space Operations Squadron	Aerospace Technical Alliance	Amazon Kuiper
3rd Test & Eval Squadron, STARCOM	Aerospace Technical Services	Amazon Web Services (AWS)
412th Test Wing, U.S. Air Force	Aerospace Testing Alliance	AMERGINT Technologies
42d Combat Training Squadron	Aerotek	American Astronautical Society - Space
46 Test Squadron	AeroVironment Inc.	Times
4th Space Operations Squadron	Aetherflux	American Museum of Natural History
50 Operations Group / Orbital Analysis	AFGSC/A3IT	American National Standards Institute
Support Contract	AFLCMC	American Systems
50th Space Wing, U.S. Air Force	AFNWC/NDBD	Americom Government Services
57th Space Aggressor Squadron	AFRCO	AmirKabir University of Technology
6 Remote Observatories for Asteroids	AFSEC/SES	AML Systems Co., Ltd
and Debris Searching	Agency for Defence Development	Amphenol Times Microwave Systems
614th Air Operations Center	AGI	AMRDEC, RDECOM
6ROADS Optical Observatories	AGI, An Ansys Company	Anduril
6th Space Warning Squadron	Agilametrics	Ansys
7 Wing / 7 SOPS	Agilation Solutions, LLC	AOARD
71 ISRS, Det 2	Agilex	AOptix Technologies, Inc.
711 HPW	AIAA	Apassianato di Spazio
718th Test Squadron	Air Force Institute of Technology	Apogee Engineering LLC
750 OSS	Air Force International Affairs	Applied Defense Solution
850th Electronic Systems Group	Air Force Office of Scientific Research	Applied Optimization
98th Space Range	(AFOSR)	Applied Research Associates
a.i. solutions	Air Force Research Laboratory (AFRL)	Applied Science Innovations, Inc.
Aalyria	Air Force Research Laboratory Directed	Applied Technology Associates
AAS Space Times	Energy Directorate	Aptima, Inc.
ABB Canada	Air Force Safety Center	ARCA Dynamics

Arcfield	Auria Space	Boston University
Arecibo Observatory (USRA)	Aurora Engineering	Boston University Center For Space Physics
Arete	AUSA GLAC	Bougainvillea Breeze LLC
ArianeGroup	Australia Royal Air Force	Boulder Nonlinear Systems, Inc.
ARINC Engineering Services, LLC	Australian Air Force HQ	Brandywine Photonics LLC
Arizona State University	Australian Astronomical Optics	Brashear LP
ARKA Group	Australian National University	Braxton Science and Technology Group
ARL:UT	Australian Space Agency	Braxton Technologies
Armed Forces General Command	Austrian Academy of Sciences	Breaking Defense
Armor Group LLC	Observatory Lustbuehel	Bryce Space and Technology
Army Research Laboratory	AV	Bryn Neil
Army SMDBL-W/SETA	Averitech	Bundeswehr
Arnold Engineering Development Complex (AEDC)	Axelspace Corporation	BVB LLC
Ars Technica	Axient	By Light Professional IT Services (Honolulu)
artSCI, LLC	Axiom Space Inc.	C.I.G.C. SICRAL
AS&T, Inc.	BAE Systems	C.S. Draper Laboratory
ASA Astrosysteme GmbH	Ball Aerospace	C3 AI (Enterprise AI)
ASC/TM	Ballistic Missile Defense Organization	C4ISRNET
Asgard Research	Baltech	Cab In Air LLC
ASI	Barnett Engineering & Signaling Laboratories LLC	CACI
Asia Pacific Aerospace Consultants	Battelle	Cal Poly San Luis Obispo
ASRC Federal	Bay Area Consulting Group	Calian Advanced Technologies
ASRC Federal Space Operating Group	Bay Area Houston Economic Partnership	California Institute of Technology
Assurance Technology Corp	Bear Machinery Inc.	California Polytechnic University at Pomona
